This fully revised and updated new edition offers a detailed exposition of EC Directives, individual rights EU law | European Union EU legislation is divided into primary and secondary. The treaties (primary legislation) are the basis or ground rules for all EU action. Secondary legislation – which includes regulations, directives and decisions – are derived from the principles and objectives set out in the treaties. Eu Customs Law Oxford European Union Law Library Eu Customs Law Oxford European Union Law Library understanding cultural policy,whats so great about art anyway the teaching for social justice series,shaping light for video in the age of leds a practical guide to the art craft and business of lighting,ametora how Directive (European Union) - Wikipedia A directive is a legal act of the European Union which requires member states to achieve a particular result without dictating the means of achieving that result. It can be distinguished from regulations, which are self-executing and do not require any implementing measures.Directives normally leave member states with a certain amount of leeway as to the exact rules to be adopted. European law (Book, 2006) [WorldCat.org] Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study.
